Skippy Foods has recalled 60,000 jars (totaling 161,692 pounds) of its Reduced Fat Peanut Butter and its Creamy Peanut Butter Blend With Protein. The jars may contain fragments of stainless steel.

[Skippy issued the recall](#) “after a repair to a piece of equipment where a small piece of it may have fallen into a jar,” a company spokesperson told Consumer Reports. “We haven’t received any complaints and don’t expect consumers to have an issue.”
